# Build Your City of the Future

This one week Sentinus Summer School will give young people, aged 9 – 13, an opportunity to explore what our cities might look like in the future. Working in teams, they will consider energy and water needs, communications and transport, housing, food production, recreation and much more. They will have an opportunity to build a model to represent their ideas.

Day 1 – Future City Design  
Day 2 – Energy Production  
Day 3 – Transport Networks

Day 4 – Food & Water Supply  
Day 5 – Building the City & Presentations

**Where & When:** Ballymena – Ballymena Academy, 6th – 10th August  
Ballymoney – Dalriada School, 30th July – 3rd August  
Bangor – Glenlola Collegiate, 6th – 10th August  
Belfast – Queen's University, 23rd – 27th July  
Cookstown – Holy Trinity College, 2nd – 6th July  
Derry – Foyle College, 16th – 20th July  
Downpatrick – St Patrick's Grammar School 2nd – 6th July  
Dungannon – Royal School Dungannon, 30th July – 3rd August  
Enniskillen – St Michael's College, 23rd – 27th July  
Newcastle – Shimna Integrated College, 2nd – 6th July  
Newry – Our Lady's Grammar School, 6th – 10th August  
Newtownabbey – Ulster University, 16th – 20th July  
Omagh – Drumragh Integrated College, 30th July – 3rd August  
Strabane – Strabane Academy, 13th – 17th August

**Who:** Young people 9 – 13 years old

**What Time:** 9.30am – 4.15pm (drop off from 8.30am, pick up by 5.00pm)

**Food:** Participants bring break, lunch and drinks (no meals provided)

**Instructors:** All experienced staff and Access NI checked

**Cost:** £95.00 per child

**What They Said:** *"My girls are veterans of the summer camp scene and they agreed that this was by far their favourite. They thoroughly enjoyed the entire week and were full of enthusiasm. They spoke very highly of the leaders, commenting on how helpful and kind they were. From a parents' perspective it was lovely to get an opportunity to see the outcome of all their hard work at the closing ceremony."*
